Re: Calendars

Dear Sir or Madam

On behalf of the public policy group Energy Policy Advocates (EPA), recognized by the Internal Revenue Service as a non-profit public policy institute under § 501(c)(3) the Internal Revenue Code, and pursuant to the Michigan Freedom of Information Act, please provide copies of the calendars for Attorney General Dana Nessel dated from January 1, 2019 through the date you process this request.

We make this request confident that the OAG maintains such calendars together in a discrete location and the search should not require appreciable time or other resources. Given the nature of the records responsive to this request, most are likely to be held in electronic format, and there should be no photocopying costs. Regardless, if the documents were received or created by your Office in hard copy, we request you produce them electronically.

We understand that a public body may charge a fee for the cost of the search, examination, review, copying, separation of confidential from nonconfidential information, and mailing costs. If your Office expects to seek a charge associated with the searching, copying or production of these records, please provide an estimate of anticipated costs. Given EPA's non-

profit and public interest nature and intention to broadly disseminate relevant findings, EPA requests a waiver or reduction of any applicable fees.

In responding to this request, please consider that Mich. Comp. Laws Ann. § 15.235(5) requires an explanation of the basis for any determination that a record is exempt from disclosure. Further, Mich. Comp. Laws Ann. § 15.244(1) requires a public body separate exempt and nonexempt material and make the nonexempt material available for inspection and copying.

We look forward to your response and should you have any questions, feel free to reach me at MatthewDHardin@gmail.com.

Sincerely,

Matthew D. Hardin
Executive Director, Energy Policy Advocates
