

## **FLORIDA PUBLIC RECORDS REQUEST**

January 11, 2021

Nkenga A. Payne  
South Miami City Clerk  
6130 Sunset Drive  
South Miami, FL 33143

**By Electronic Mail:** npayne@southmiamifl.gov

**Re:** Certain agreements

Dear City Clerk Payne:

On behalf of the public policy group Energy Policy Advocates (EPA), recognized by the Internal Revenue Service as a non-profit public policy institute under § 501(c)(3) of the Internal Revenue Code, and pursuant to Article I, section 24 of the Florida Constitution, and chapter 119, F.S., please provide copies of any common interest agreement entered into by or on behalf of the City of South Miami in July, 2018.

We understand that in some instances a public body may charge a fee for the cost of the search, examination, review, copying, separation of confidential from nonconfidential information, and mailing costs. If your Office expects to seek a charge associated with the searching, copying or production of these records, please provide an estimate of anticipated costs.

As noted earlier in this request, EPA is a non-profit public policy organization dedicated to informing the public of developments in the area of energy and environmental issues and relationships between governmental and non-governmental entities as they relate to those issues. EPA's ability to obtain fee waivers is essential to this work. EPA intends to use any responsive information to continue its work highlighting the nexus between interested non-governmental

entities and government agency decision-making. The public is both interested in and entitled to know how regulatory, policy and enforcement decisions are reached. EPA ensures the public is made aware of its work and findings via its partnership with the non-profit public interest law firm Government Accountability & Oversight, P.C., and the [ClimateLitigationWatch.org](https://www.climatelitigationwatch.org) project dedicated to broadly disseminating energy and environmental policy news and developments. The public information obtained by EPA and published on [ClimateLitigationWatch.org](https://www.climatelitigationwatch.org) have been relied upon by established media outlets, including the Washington Times and Wall Street Journal editorial page.<sup>1</sup>

We look forward to your response. If you have any questions, do not hesitate to contact me by email at [ncornettlaw@gmail.com](mailto:ncornettlaw@gmail.com)

Sincerely,  
Neal Cornett  
Attorney at Law
